Dear Parents/Students

Jai Hind!

At the very outset, I would like to send you warm greetings from the DPS, Dhuri. We are going through an **unprecedented global predicament today**. Each one of us and the entire world is affected by the **corona virus pandemic**; our economy, our families, communities and our entire way of life are adversely affected by the scare of infection and contagion. I would like to share your anxiety and preoccupations and express my solidarity with you and your family.

Dear Parents during these unprecedented and unsettling times, we are all learning new ways of working and evolving. Our children have been very supportive and are equally standing with us accepting and adapting to this situation whatever their age is. You all have a plethora of sources and learning's of your life, it's time to pass on NOW, much more than what do you usually do. **School days are structural in nature. So let us try to bring some structure schedule during this time. The School has provided you with a structured Time Table .Every time they learn a new skill of the new habit, reward them with your encouraging words.**

I am very happy to announce that most of our students are regular in completing their assignment and submitting it on time. **Our Teachers are putting in a lot of effort to make these assignments. Parent's contributions are highly appreciated.** But kindly make a note of following points:

1)During this **unprecedented global predicament, our students totally rely on Electronic Gadgets such as mobile, laptop or PC** for getting information about curriculum/ assignment worksheets and for that they are using **parents or personal mobile.**

(2)Therefore **it's very important that usage of mobile or any device should be under the supervision** and parents have to play a very significant role in helping the school in this regard. **Therefore parent's contribution and cooperation is highly appreciated.**

(3) **Kindly ensure that the right content is submitted to the respective teachers.**

Warm Regards

Stay Home Stay Safe.
